

Homework 1 -

Our children's homework experience should be a positive one that you can enjoy together. Below are some tips to help but please talk to your child's teacher if homework is a struggle. Every child manages their homework differently and your child's teacher can help you tailor homework to your child's individual needs.

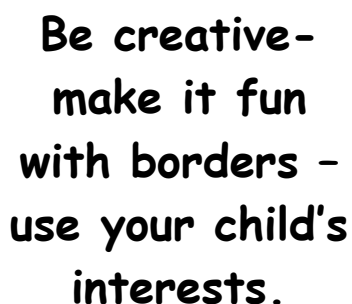

**Find the
right time
and make it
a routine.**

**If putting pen
to paper puts
your child off,
try using other
ways.**

**Try to
remove
potential
distractions.**

**Be creative -
make it fun
with borders -
use your child's
interests.**

**Focus on
quality not
quantity.**
